In addition, administration by the ministry and ESDC includes public reporting on postsecondary education and training, including the administration and financing of student assistance programs and accessibility to, and affordability of, postsecondary education; planning, delivering, evaluating or monitoring student assistance programs for quality and improvements in both content and delivery, including establishing and monitoring the minimum amount of student aid the applicant's postsecondary institution is required to provide under the Student Access Guarantee, if applicable; conducting risk management, error management, audits and quality assessment activities; conducting inspections or investigations; and conducting research related to postsecondary education and training, including all aspects of student assistance programs and accessibility to, and affordability of postsecondary education and training such as developing key performance indicators on the aggregated Ontario Student Loan default rates of the applicant's postsecondary institution or for the purpose of evaluating or developing programs. The ministry may also disclose your personal information to other ministries of the Ontario government for the purpose of conducting postsecondary education-related research on behalf of the ministry.
